Company Name: _____
Facility Name: _____
Facility Address: _____ Bldg. Number: _____
City: _____ State: _____ ZIP Code: _____
Contact Name: _____ Contact Phone: _____
Contact Email: _____ EPE Account Number: _____
Any security requirements that we need to follow: _____

El Paso Electric Company (EPE) will provide a rebate for a VendingMiser® (\$200) or CoolerMiser™ (\$170) or SnackMiser™ (\$160). Because EPE's energy efficiency funds are used to provide these devices to save energy, they must remain installed on a refrigerated, non-perishable soft drink machine, reach-in cooler, or non-refrigerated snack machine in a facility serviced by EPE for a period of 7 years.

TO PARTICIPATE IN THE ENERGY MISER PROGRAM, YOU WILL NEED TO UNDERSTAND AND AGREE TO THESE TERMS:

- **Approved Machines:** You will only use it on an active vending machine or reach-in cooler that is filled with sodas, waters, power drinks, beer, or other non-perishable liquid items, or on a non-refrigerated snack machine that is filled with non-perishable snack items (such as cookies, crackers, or chips). The machine must be operated on a year-round basis.
- EPE will not approve a Miser on a machine that is determined to be located in a round-the-clock high-traffic area.
- You agree to grant EPE future access to the VendingMiser®, CoolerMiser™, or SnackMiser™ to verify its installation, operation, or energy savings.
- The VendingMiser®, CoolerMiser™, or SnackMiser™ is provided to you only as long as it is installed on an approved machine in a facility that is served by EPE.
- Because it only saves you money if it is operating properly, you agree that you will make every reasonable effort to make sure that the VendingMiser®, CoolerMiser™, or SnackMiser™ remains in the same condition as it was at the time of installation (upright sensor bracket undamaged, sensor showing a green light, Miser not on the floor, Miser plugged into the wall, machine plugged into the Miser, etc.)
- You agree to not put anything in front of the sensor that will interfere with it identifying motion from patrons.
- You agree to notify EPE at 915-521-4636 whenever the following happens so that we can better assist you and so that we can keep track of the Miser's operation and energy savings:
 - **If you replace** the original approved machine that has a Miser.
 - **If you relocate** the original approved machine that has a Miser to another location
 - **If you remove** the original approved machine that has a Miser and do not replace it with another approved machine.
- You agree to try to prevent your vending services company from breaking it or removing it from the machine, and, if they do, you will notify EPE.
- Must be installed by an authorized installer. Contact EPE for more information on authorized installation.

Applicant Acknowledgement:

By signing below, I acknowledge that I have read and AGREE to the terms listed above.
